7 — Subd. A copy of the Govt order sanctioning the grant to the Shivamogga High School is put up (Pl see) & Kind reference is invited to paras 19 to 25 of the notes in the file Mul 191-43 & pts 172 in which reasons are given why the Tumkur Town Municipal Council may be exempted from the payment of the contribution. The grant of this exemption would involve an additional expenditure of Rs 600 per annum to the Education Dept. Called for orders Jdl 30/10 ¶ The question has come up before the Govt on previous occasions. Kind reference is invited to the notes — paras 19 to 41 — in Mul 191-43 — 172 placed below. After considering the question in all aspects, the Govt declined to sanction the request.

(a) A deputation of the members of the Tumkur Municipal Council waited upon the Dewan & the Minister for P.W. on 24.7.28 and one of the subjects urged on this occasion was the discontinuance of the payment of the contribution of Rs 600/ by the Municipality to the Empress Girls High School on the ground that the contribution which was being paid by the Municipality to the Tumkur District Board had been waived & that it is a

first school, the expenses which should be met by the first entirely.

11 The Diwan has been pleased to direct that the question may be examined.

12 The D. C. Tuticorin has expressed the opinion that there are no reasons to change the ward in which Vide Flag K
the High School is situated. While there is no objection in principle to the request of the Municipal Council that the High School may be exempted from the payment of contribution.

Very recently the Council of the Municipality have given a contribution of Rs 6000 per annum from their funds for recurring expenses for a period of five years. This 6000 towards the recurring contribution expenses of the Municipal High School, Tuticorin has been sanctioned.

The Inspector refers to the fact that another private High School - Aryan High School - has been started at Tuticorin. There is apparently no necessity to start another municipal High School at Tuticorin at present.

The Director of Public Instruction expresses the view in order 4 (2) that the Taluk Vide Flag J
Board might be relieved of their liability to pay a grant of Rs 600 per annum to the High School, in the same manner as the District Board has been relieved, the deficiency being made good

13 The financial condition of the Municipality is also such as it can afford to bear this small expenditure as it has done all along for the last thirteen years. Note the Municipality's request that the contribution maybe permitted to be discontinued as grants have to be made for other aided institutions

14 Orders for orders may be passed

22) The D. P. I also invites reference to his previous report of 26-5-4-10-44 where in he advocated the cause of releasing the Trunkey Town mal el of them obligation to pay a grant of Rs600/- pa to the institution under para 4 of the said report

23) statements showing the Receipts and expenditure of the school for the last three years are put up for perusal

24) In the above circumstances, the prayer of the Trunkey Town mal el to discontinue the payment of a grant of Rs.600/- pa to the Empress girls High School from out of them funds is submitted for orders with reference to paras 16 & 17 supra

25 The Trunkey Town mal el have since agreed to the Continuation of a sum of Rs 600 per annum for 5 years for recurring expenditure & Rs 1000/- towards the initial expenditure of the Siddapanga High School started during the current academic year & it has been sanctioned by the Govt - vide G.O. dated 26 & 4th put up below.

26 In the case of the Aryan High School started at Trunkey, a similar proposal has been made & the matter has been referred to the Govt for sanction

27 The peculiarity is that while it is willing to sanction such amount of recurring expenditure to

WD 0726—GPB—25000—15 9 44

the two High Schools started by private enterprise, it does not want to continue such a payment to the Cuttack High School which it has been making from the year 1930.

2) This attitude is easy to understand. The Municipality does not want to continue its contribution towards the maintenance of a Govt High School, although it means a step back upon its promise and other local body in the district of Cuttack was permitted to stop its contribution towards the maintenance of the same High School so far back as April 1943. It seems to be rather touchy on the matter and insists on a similar treatment being given to it.

1) Having regard to its repeated requests & the fact that the Govt have been spending lakhs of rupees towards secondary education, and that the Municipality have been contributing towards the maintenance of the other High Schools, it is a matter for consideration whether the payment of the annual contribution of Rs 600 by this Municipality may not be waived. An equal grant will have to be paid by the Govt into office from the date of discontinuance of the grant by the Municipality for orders with regard to payment of Lawsey) & 10 years (649)

3) The Municipality wants to encourage primary education

Sir,

Re: Discontinuance of the grant to the Empress Girls' High School at Tumkur.

In forwarding herewith in original, the letter received from the President, Town Municipal Council, Tumkur, on the above subject, I have the honour to invite kind reference to my letter No.A6.C. 4421/42 dated 29 & 44 on the above subject, in which I have furnished my considered opinion. There are no reasons to change the view since the liability of the Municipality still remains and it is only as a matter of concession that the Municipality may be exempted from the payment of the contribution. The only consideration on which the municipality may be allowed the concession would be to agree to start a Municipal High School which they are very well in a position to do. They are refusing to undertake this purely on party and personal considerations.

I am therefore not in favour of a reconsideration of their present request.

Subject - Question of the discontinuance of the Municipal grant to the Empress Girls' High School, Tumkur.

With reference to your letter No.L.5779/Ml. 103-44-15 dated 12th December 1944 forwarding a copy of letter No.A6.C.457-44 dated 4-9-1944 received from the Deputy Commissioner, Tumkur District, regarding the request of the Tumkur Town Municipal Council to be allowed to discontinue the grant paid by them to the Empress Girls' High School, Tumkur, and calling for my definite opinion if the said High School is in need of the Municipal grant and whether at present it is not self-supporting and also for a detailed statement of receipts and expenditure of the school for the last two or three years, I have the honour to state that a representation to the same effect was made by the Tumkur Municipal Council to the Minister for Education during his tour in the month of August 1941 and in that connection a detailed report was submitted to Government, in my letter No.A3.2965-279/41-42 dated 4-10-~~1944~~ 1943 furnishing my opinion. Government in their letter No.L.11918/Ml. 191-43-2 dated 26th May 1944 addressed to the Deputy Commissioner, Tumkur, a copy of which was also sent to me for information, were pleased to state that they considered that the Municipal Council could not be allowed to go back on its accepted

P.T.O.

accepted unconditional obligation in this respect and that the financial condition also enabled it to continue the payment of that small contribution every year.

As regards the question whether the school is not self-supporting, I have to state that it is not. In fact, no school is self-supporting in the sense that it is maintained with the fees collected from the pupils. In the present case, the school being a Government one, the loss of the Municipal grant would have to be made up by a corresponding increase in the grant from the State Funds.

I enclose herewith copies of statements showing the receipts and expenditure of the school for the last three years from 1941-42 to 1943-44, as desired in your letter under reference.

I have the honour to be,

Sir,

Your most obedient servant,
